1) Introduction: Why Gaming Laptops Are in High Demand?.

The gaming laptop market is expanding fast because there is a broad access to sophisticated gaming features. In the UAE it is growing rapidly. Students, professionals and gamers are currently seeking portable but powerful solutions which can just be able to give them the same performance as the desktops.

Godukkan.com is one of the UAEs best online computer shops, where you will be able to view the largest variety of laptops and desktops at the best price with exclusivive offers online purchase. Regardless of whether you are looking at a personal computer store, an online computer store, or even in case you are in need of a computer store near me around Dubai, Sharjah, Ajman, Umm Al Quwain, Fujairah or Abu Dhabi, Godukkan.com will take care of all this with quick delivery.

Our delivery is also extended to the entire Saudi Arabia, Kuwait, Oman, Iraq and others — so it is easy to shop and receive your next gaming set up at the most favorable laptop and computer shop in the city.

2) What to consider when buying a Gaming Laptop.

When purchasing at a computer store UAE, you should take into account the following specifications. This will make your gaming laptop search easier and this will prevent any significant specification related issue.

- Processor (CPU): Intel Core Ultra 9 or AMD Ryzen AI are the best processors to support the maximum performance.
- Graphics Card (GPU): NVIDIA RTX 4070, 5080, or 5090 to have the best gaming graphics.
- RAM: 16GB but preferably 32GB–96GB RAM to have a really powerful laptop.
- Storage: SSD (1TB–4TB) guarantees rapid loading of the games and their unproblematic work.
- Display: 16-inch QHD+ up to 18-inch 4K OLED with high frame rates.
- Cooling System: The MSI and Lenovo Legion models are advanced cooling.
- Keyboard: The keyboard is bilingual (English/Arabic) and has an RGB backlight to satisfy the needs of the UAE users.

In the online computer store of Godukkan you will easily search what you want according to your need; a cheap gaming laptop, high performance laptop, or the best laptop computer deals in UAE.
